THE VALUE OF KNOWING CHRIST: A STUDY OF
PHILIPPIANS

JUNE 18, 2024

LESSON 10: SENDING EPAPHRODITUS

* *TO JOIN THE BIBLE STUDY PLEASE SEE ZOOM INFORMATION BELOW.*

Purpose of Study: This study is intended to help participants understand the planting, and growth of the church of Philippi. It will allow us to discover the true meaning and feeling of fellowship and how the feeling allowed the church to grow in this region.

Outcome - Participants will examine the importance of purpose and embracing your help even when it does look like what you thought.

Text: Philippians 2:25-30

1. What do we learn about Epaphroditus in this text? Who was he to Paul?
(Philippians 2:25-30)
2. Paul describes him as brother, companion in labour, and fellow soldier. Is there a difference between the 3 roles? If so, what is it? *(Philippians 2:25)*
3. *Philippians 2:26* says that he “longed” after the Philippians and “full of heaviness.” What does longing after them mean and why was he distressed?

4. According to *Philippians 2:27* how had God been merciful to Paul by sparing Epaphroditus?

5. What kind of reception does Paul request from the Philippian believers and why? (*Philippians 2:28-30*)

- **Journal:** Let's reflect. As you think about this lesson, journal about what you have learned. How can you apply what you have learned to your life this week?

- For our next class we will continue in our study of the Book of Philippians and the value of knowing Christ. In our walk with God there are some things we must "Watch out" for. Read *Philippians 3:1-3* in preparation for that class.
